EDUCATION

THE UNIVERSITY OF TEXAS AT AUSTIN, McCombs School of Business, Austin, TX

May 2027

Master of Business Administration, Strategy & Innovation – GPA 3.67

- Jack G Taylor Endowed Presidential Scholarship Graduate (merit-based scholarship); McCombs Merit Scholar
- VP of Sports, Entertainment & Media Association (SEMA); Electronic Games Development Society; Peer Leadership Coach
- **McCombs+ Project:** Led an MBA team in developing go-to-market, monetization, and digital distribution strategies for four student-led game launches in collaboration with the UT Center for Media Engagement, advising developers on pricing and customer engagement using wishlist growth, community engagement, and conversion KPIs as success metrics.

THE UNIVERSITY OF TEXAS AT DALLAS, Jindal School of Business, Richardson, TX

May 2022

Master of Science in Accounting – GPA 3.83; Scholar with Distinction

Bachelor of Science in Accounting – GPA 3.79; Magna Cum Laude

EXPERIENCE

SOFTSERVE, Austin, TX

Jul 2026 – Sep 2026

Business Analyst Intern

- Structured an asset turnover business case for a F500 chemical processing client by synthesizing client interviews, technology documentation, and business processes into key assumptions, constraints, and strategic recommendations
- Built an MS Copilot agent to synthesize business problems and client inputs, generate recommendations, and draft value realization models, reducing early-stage analysis time by 20%

SERENITY FORGE, Boulder, CO (Remote)

Oct 2025 – May 2026

Financial Analyst

- Built profitability analyses for two game publishing projects (~\$800K projected revenue) from internal performance and market data, delivering go/no-go recommendations for contract execution
- Partnered with publishing leadership to design pricing and discount strategy for 33 game titles across seven digital storefronts, supporting Q4 revenue optimization
- Prepared monthly royalty statements and coordinated with publishing partners for payment in support of publishing operations

KPMG LLP, Dallas, TX

Sep 2022 – Jun 2025

Senior Audit Associate

2025

- Spearheaded strategic planning for a 2025 engagement of a \$750M public energy client, deploying 10+ professionals and managing 4,000 budgeted hours to deliver the audit on time and within budget
- Directed weekly client and internal meetings across 15+ engagement milestones, presenting quarterly financial statement reviews to keep delivery on the engagement roadmap
- Implemented agile Kanban tracking for the engagement, creating a scalable framework that improved milestone visibility
- Reviewed 50+ workpapers and deliverables from junior and offshore staff, with feedback to ensure accurate documentation

Audit Associate

2022 – 2025

- Led the engagement for a transportation management client with \$1B in operating revenue, managing two associates and an offshore team to deliver timely, accurate results
- Drove remediation of two significant deficiencies in pricing and customer approval controls, cutting revenue exposure risk by \$400M through direct collaboration with client management
- Identified critical financial trends by analyzing performance and business processes across two F500 clients and private clients with revenues from \$70M to \$30B
- Supported annual financial forecasting by leveraging data analytic tools to process and model 10K+ transactions
- Enhanced financial reporting accuracy by evaluating ERP workflows (Oracle, Microsoft D365), identifying and mitigating 5+ control gaps and recommending workflow improvements
